Sapiens: A Brief History of Humankind by Yuval Noah Harari | Book Summary Dr. Yuval Harari received his PhD in History from the University of Oxford, specializing in world history. His book Sapiens has become a huge bestseller, translated into more than 20 languages. Harari brings us a detailed life of the humans before us, the Homo Sapiens, and provides us with a look of how the world came to be as it is now. He gives us his view, backed-up with actual facts found through research, of how our ancestors managed to survive while others did not and makes us think of how things would be if things had gone different. With thrilling stories and photos, he gives us a world that many of us never think about, and should. Here Is A Preview Of What You'll Learn...
